Re: Pre-Launch Announcement of ISO 50001 EnMS Accreditation Program

ANAB has developed requirements for accreditation to certify organizations for energy management systems (EnMS) conforming with ISO 50001. Personnel competence for this program will be based on ISO/IEC 17021 requirements.

A CB that commits by 2011/09/16 to applying for accreditation for ISO 50001 will have a reduced application fee of \$3,500 instead of the full application fee of \$5,000.

Any CB wishing to take advantage of this special offer must submit notice of its intent to [tsu@anab-aclass.org](mailto:tsu@anab-aclass.org) with payment of \$3,500 by the end of the day on 2011/09/16. Payment can be made by wire transfer (instructions under Reference Documents in EQM) or by check to ANAB's P.O. Box (postmarked no later than 2011/09/09).
